Volunteers

Volunteer experience in RETOS, becomes a life experience that permeates our being when we open ourselves to love, when inevitably we connect with the needs of the beneficiaries and we give ourselves, going beyond of our professional skills or supplement our personal needs.

Empathy, patience, tolerance and responsibility are the attributes a person needs to become a volunteer in RETOS, because first of all, the work is directed to serve a person, ensuring support in the process of augmenting its skills towards a better quality of life.

The perspective of RETOS, regarding the volunteers, is an opportunity to observe the human being that lives in each one of the people that make up society and need our support.

Internship program and Social Service

Thanks to the agreements signed with each university RETOS has valuable hands from their students, s

They have found that our institution is a watershed in their life, a "before and after", and that learning is n

Our programs allow them to provide support in the following areas:
